PERSONAL INFORMATION

Date of Birth: May 28, 1994

Age: 23

Gender: Male

Marital Status: Single

Interests: Watching Movies, Basketball, Football, Coding, Learning new things

CAREER OBJECTIVE

Secure a web development position in a creative and dynamic work environment where I can apply my skills in developing and maintaining functional websites and learn new technology as well.

EDUCATIONAL BACKGROUND

Web Development Bootcamp (May-August 2017)

Tuitt Incorporated

Timog Avenue, Sacred Heart, Diliman, Quezon City, 1103 Metro Manila

Bachelor of Science in Information Technology (June 2010- March 2015)

Iligan Medical Center College

San Miguel Village, Pala-o, Iligan City

SUMMARY OF QUALIFICATIONS

-With a degree in (BS) Information technology. I've been freelancing since June 2016. I'm primarily a front-end developer, with knowledge in PHP (Laravel framework), Responsive HTML5, CSS3/SASS, javascript/jquery, and WordPress development.

-I have acquired knowledge from my previous and current work and projects that I believe would be helpful as a Web Developer.

-Attended a web development bootcamp that teaches the fundamentals of HTML, CSS, javascript, PHP, mysql, laravel and other technologies in web development.
